

SECOH
Nurturing Lives & Cultivating Communities

Memorandum

To: All SECOH Clients, Caregivers, Families and Legal Representatives
From: Bridget Panee, President/CEO
Date: April 3, 2020
Re: Suspension of SECOH Services

In response to the governor's Stay at Home order to minimize the spread of COVID-19, SECOH's suspension of center, community, and administrative services has been extended through April 30, 2020.

DOH-DDD has systems in place to offer an array of services for clients if needed. To comply with the current Stay at Home order, the services would be provided in the client's home. Please contact the respective case manager if you are in need of services. I am awaiting further direction and clarification from DOH-DDD to determine specific service parameters to determine if SECOH is able to provide such services.

At this time, all SECOH employees have been furloughed therefore; if you have any service questions please contact me by email at bpanee@secoh.org or 808-734-0233 ext. 211. Thank you for your understanding and cooperation. Wishing you good health and wellness during this very uncertain and unprecedented time. Take Care, Be Well & Stay Safe.
